

1982 RAIDER

BRAD McAFEE

Brad,

Your really a nice guy and a special one also. Whatever you do stay nice and as great as always. Don't get out here on the road and do any of those tricks, because I don't want my good friend, Penny, to get hurt anymore. Of course, I don't want you to get hurt either, cause what would all of us do without you. I won't forget you through the years and I hope that you won't forget me. Keep in touch with me and maybe Kevin and I and Penny and you can double date again in the near future. If you ever need anything, just remember I will be around either at Motlow or Burger King. I know that I'll miss you and Penny cause I always think of ya'll whenever I need someone to talk to or anything happens between me and Kevin. I always think of all the times together and the times that we had all the fun. I'll remember the times

Brad,
you are a very sweet guy. May your life be filled with joy and happiness. You are free to think your own thoughts, to choose your own way, and to be your own person. So Brad follow your heart. Will be friends first last and always. I'll remember you and all the fun times in Ag. Take care of yourself over the years.
Jones, Debbie Madewell

My dearest Brad,

Well what do you think about all this? Its the year we've ~~waited~~ ^{waited} for, for so long now and yet looking back though all the years it seems like it was only yesterday. I can't think of any better way to have spent my last ~~two~~ two years than with you. I bet we've had more fun than any other two people in the whole world. Everyone else has said how sad it is that we're graduating and going our separate ways but Brad, you and I aren't going our separate ways and that makes me look even more forward to the future. Lets just always make the best of everything we do. Like the music box you gave to me says, "We only just Begun."

With all My Love

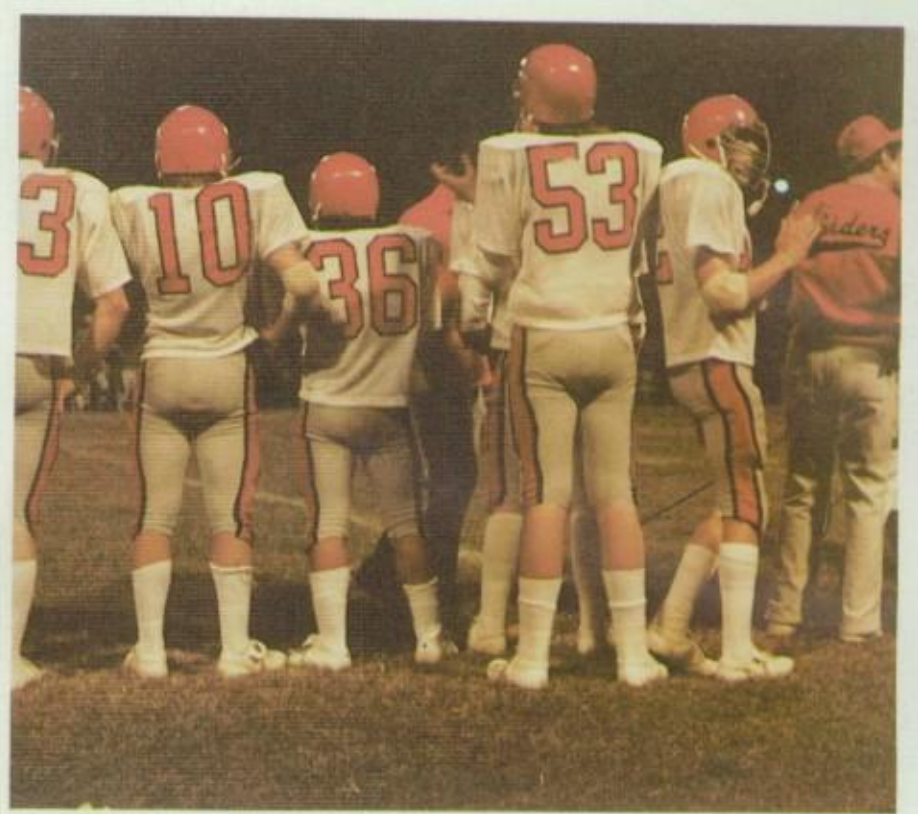

Penny

how I wished that you and Penny would get back and it would always ^{make me} apologize for whatever our argument was over. So just remember I'll always think a lot of you cause you remember me a lot like Kevin. (I mean the way everything happens) Good Luck in everything you do.
Love,
Donna

TINY RAIDERS

New!!! The Nursery School at Central provides the Occupational Home Economics students with invaluable laboratory experience. It looks like fun, but the children are learning motor, social, language, listening, math, art, music and science skills. The Occupational Home Economics students are learning first hand how to guide children's development. They are very fortunate to have hands-on laboratory experiences in child care.

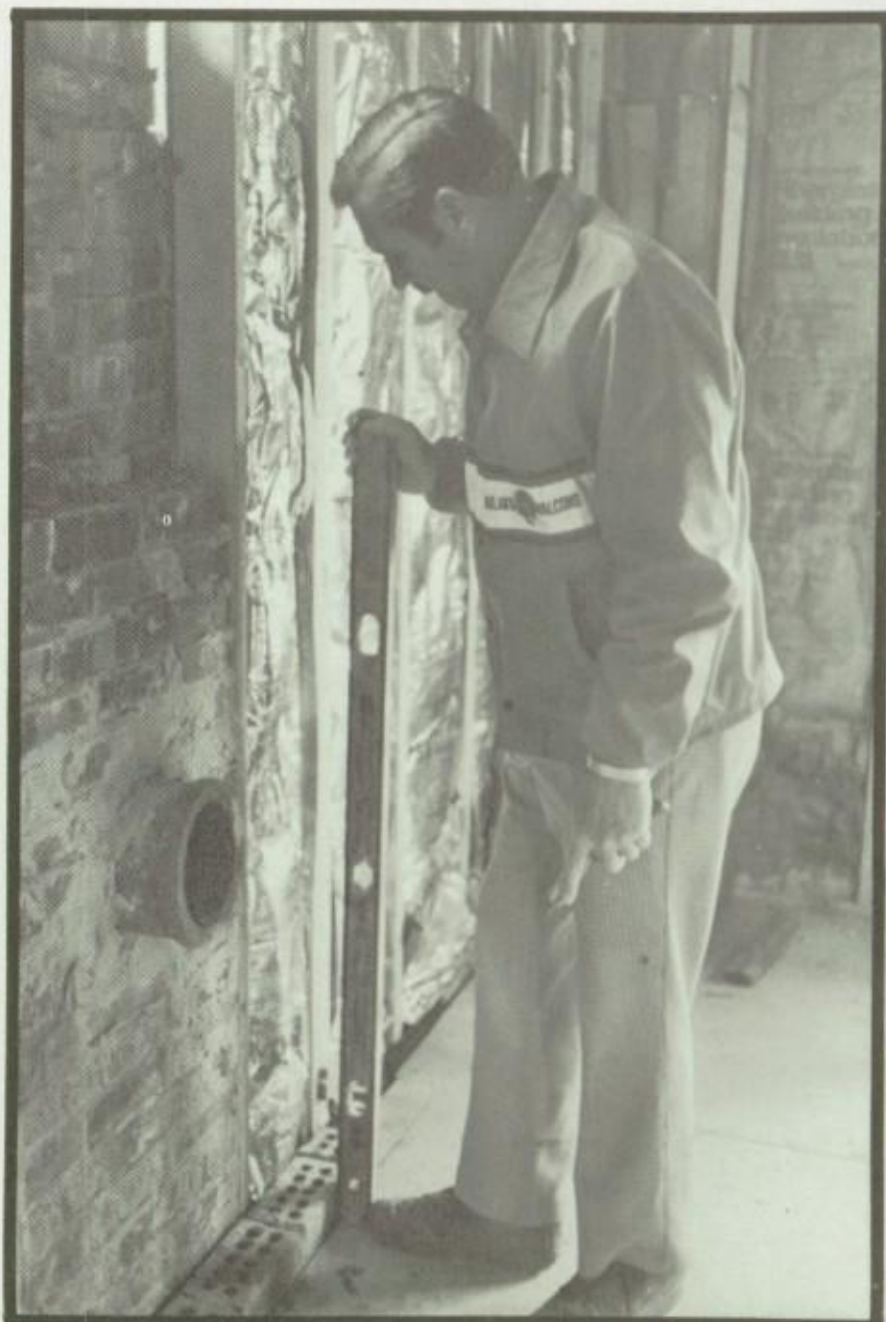

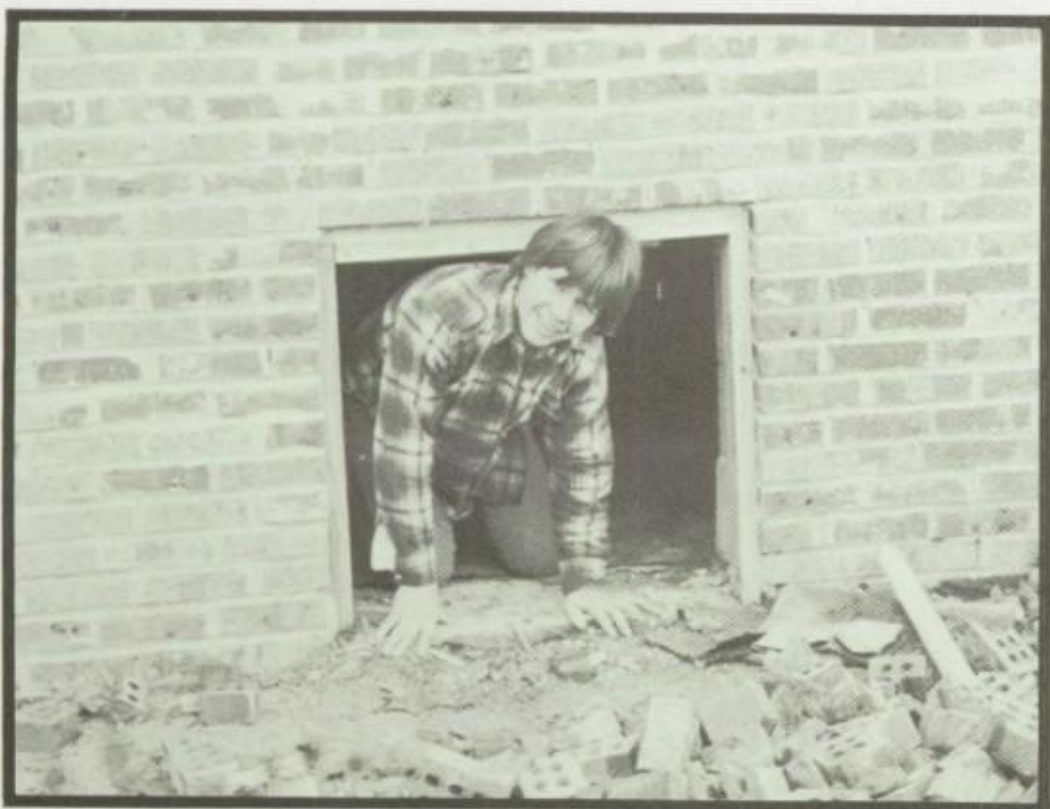

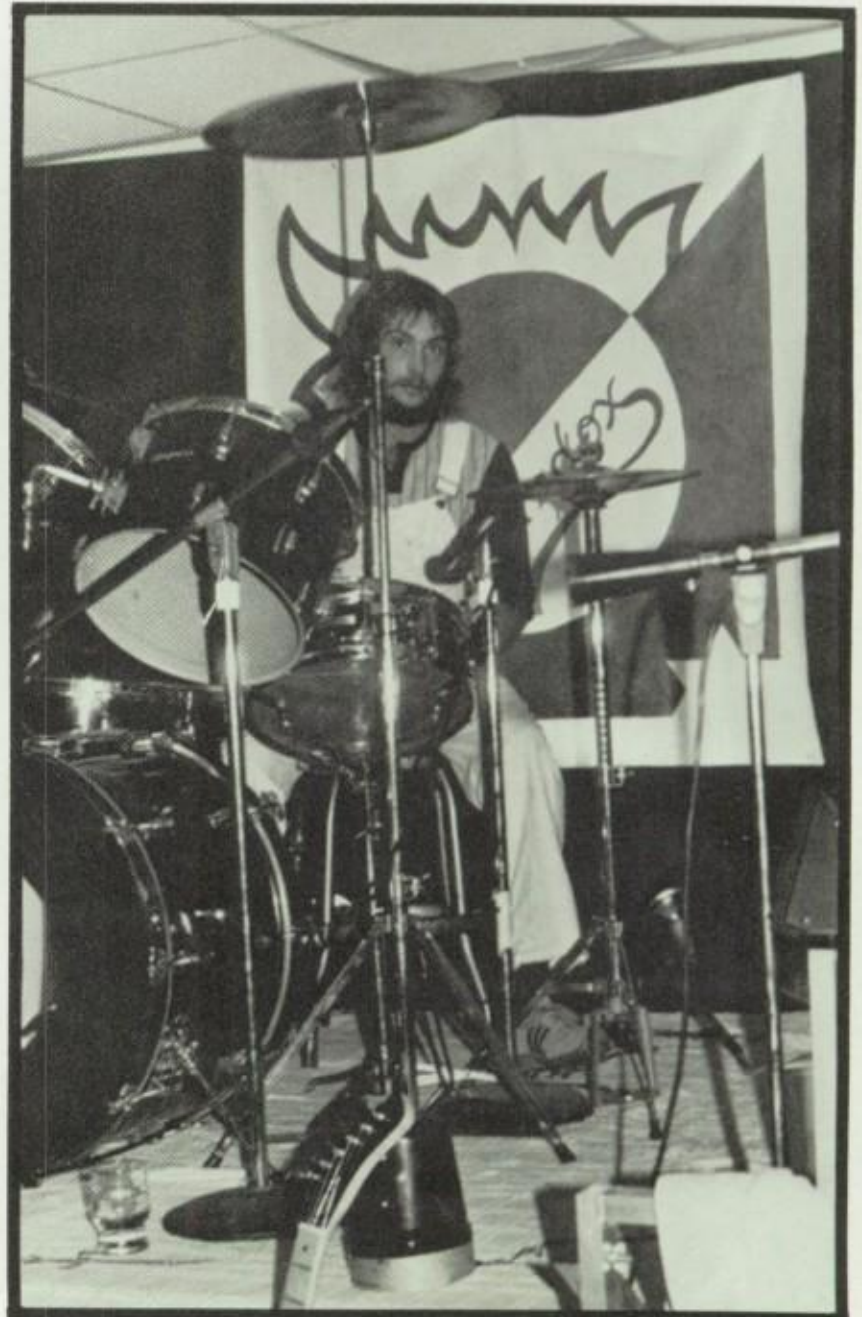

THE HOUSE THAT IS RAIDER-BUILT

Each year the Trades & Industry classes under the direction of Mr. Donald Still complete a house. Through this "hands on" experience, the students learn basic and advanced building skills. Our congratulations are extended to the 1981-82 group of students and to Mr. Still for a job well done.

Manchester, Mt. Pleasant Commit To Bowl Games

Manchester, Waverly and Mount Pleasant have joined the area bowl parade.

Those three schools signed contracts or agreed to participate in post-season bowls yesterday, joining Richland, who agreed last week to go to the Butter Bowl.

Manchester, 6-2 with losses only to District 8-AAA champion Franklin County and Shelbyville, signed with the McMinnville Nurseryman's Bowl. No opponent has been selected yet, but bowl chairman Jim Embry said a foe will likely come from the Nashville area or perhaps be Chattanooga Red Bank.

Dear Brad,

well, here we are at the end of our last year in High School (I hope) ^{no}. well, I go back to the beginning in 1st grade - when I fell so in love with you! Remember! I don't know how to ever thank you enough for helping me through the rough spots in life. I've had a hard time with some of the guys that I've dated, but I always knew that you could bring me back to good spirits. I know I gave you and Penny a rough time and I'm truly sorry. I don't believe I've ever been closer to any guy than you, and I'm so glad that we are Special Friends. I hope that never ends, and I don't believe it will. I wish you all the kick in the world with Penny - I hope you make, if that's what you want. You've got the potential to make anything out of yourself and you've got the brains too, so go get em' tiger!!! I know that we won't split up as best friends, at least I hope not. You already know this, but I'll refresh your memory, you can always call on me or come by (if you know where I live) ^{ho} _{no}.

Since you've been working here, we have created a Friendship that no-one else could hold a light to! Remember when you and I raised those calves, how much fun we had, and what good experience we got. Remember all the water fights we had down here at the barn! I'll never forget those good ole days, and I hope I won't have to. You know that you're like Daddy's and mama's 3rd son, and you always will be. You always set me straight when I'm headed in the wrong direction, and I admire that in a person and you are about the most admired person I know. Since you ask me to come up to your church, it feels like my life has changed, in a way.

Brad,

It's been fun knowing
you the past six years.
We've had great fun the
past three years in
ag. Wish you and Penny
luck. Good luck in the
future.

Friends always,
Robert Henley

Brad

after 12 years we have
been going to school together.
Now we have made it.
Graduation is almost here.
I hope you have good luck
and fortune.

Brad,

I can't believe this is
our last year at school. It seems
we've been waiting for this so long.
I'm really glad it's here, but it's
kinda sad. I wish you all the
luck in the world. I hope
you get what you want.
Maybe I'll see you this summer
before I leave - we can still
stay in touch though.
Have a nice summer & don't
work too hard.

Love,
Kelly S.

BRAD,
THE PAST THREE YEARS
HAVE REALLY FLOWN BY
FAST. I CAN'T BELIEVE
WE ARE GRADUATING. I
WISH WE WOULD HAVE
HAD AT LEAST 1 CLASS
TOGETHER. JUST FROM
TALKING TO YOU - I
KNOW THAT YOU ARE
SOMEONE REALLY SPECIAL!
I WISH YA' ALL THE
BEST IN THE WORLD.
I HOPE YOU & PENNY WILL
ALWAYS BE HAPPY.

Love
Carla "82"

Brad,
It's been fun
being a 7.7.7
officer with you.
I've enjoyed being in
English with you. Good
luck in the future. And
I hope to see you sometime
in the future. Learn

Brad,
Well it's been 3 short
years out here. Seems
like the only class we had
was biology when we were
sophomores. Remember Mrs.
Harris & mean Daddy H.
You're one of the few people
from CCH that I got to
know. You're pretty cool even
though you came from CCH.
Stay cool & good luck with
Penny.

Bohly
McCallough

Brad,
Well, we've almost
made it. I haven't gotten
to know you very well but
I think you are a real sweet
guy. I enjoyed being in
home room with you this
year. Please take care of
yourself and I wish you
the best of luck in everything
you do.

Love,
Jennifer Dawson

P.S. Take care of Penny!

Brad,
Well I've known you for a long
time and you are really a nice
guy and a good friend. I've enjoyed
4th period, but I can't seem how
really. I hope that we graduate!
I wish you the best of luck
in life and your career. I hope
you and Penny always stay
together. May God bless you
and keep you!

Be careful and don't
too hard this summer, maybe
I'll see you around.

Friends always,

"Whit."

Brad
Well what can I say you are great
guy to be around and are terrible driver especially
around curves I hope you have better luck
from now on because next time I am not going
to be there listening to you say just kidding
but really be careful good luck with Penny
and in life and with your family when you
have all good ~~with~~ luck and be careful!

Your friend
Scott Stewart
